

Subway D-Backs Fan Fest

[Subway](#) was the title sponsor for the [Arizona Diamondbacks](#) Fan Fest.

What a great event.

This year it was held at Chase Field and was free of charge. There were live radio remotes by several stations, including [Sports 620 KTAR-AM](#), [KMLE](#) Country 108 and [The Peak](#).

[Fox Sports Arizona](#) also was on-hand holding open try-outs for fans who wanted to be in D-Backs promotional spots.

There were a couple of whiffle ball fields, a number of players hanging around, a sports card and memorabilia show and plenty of photo and autograph opportunities.

What a great way to have spent a Saturday afternoon.
