

Subway Gives Back

Subway franchisee Mark Roden had the pleasure of visiting the Children's Angel Foundation at Hacienda HealthCare in Phoenix this week, where he got to give the volunteers, staff and residents a special treat - 50 tickets to the Checker O'Reilly Auto Parts 500 at Phoenix International Raceway on Nov. 9. Subway Restaurants of Arizona, our client for more than a decade, wanted to thank this important Valley organization for all it does, and give them the chance to see racing stars Carl Edwards, Tony Stewart, Jeff Gordon and more compete in this semi-final race in the chase for the Sprint Cup.
